Dermoscopy and reflectance confocal microscopy in pedunculated basal cell carcinoma.

Yildiz S, Karaarslan I, Yaman B, Ozdemir F. Dermatol Pract Concept. 2017 Apr 30;7(2):51-52. doi: 10.5826/dpc.0702a11.

ABSTRACT

There have been limited cases of pedunculated basal cell carcinoma (BCC) reported in the literature. The dermoscopic features were described in only one of them. However, not one of them described the confocal microscopy features. In this report we presented a case of pedunculated basal cell carcinoma (BCC) with dermoscopic and reflectance confocal microscopy features. **KEYWORDS:** basal cell carcinoma; dermoscopy; reflectance confocal microscopy PMID:28515995 PMCID:PMC5424664 DOI:10.5826/dpc.0702a11
